WORKFORCE EMPLOYMENT & TRAINING FUNCTION 1560

COMMUNITY SERVICES

Buffalo Employment and Training Center 55-1560

<u>One-Stop Center Services</u> The Buffalo Employment and Training Center (BETC) is a One-Stop Career Center with the dual goals of assisting job seekers in finding employment and assisting employers in finding qualified workers. All BETC services are free of cost and any individual looking for employment or business looking for workers can use the services of BETC. BETC is a **Certified Workforce New York Career Center**.

All One-Stop Center programs and services are federally funded, no City funds are used in the operation or delivery of these services. The Center is primarily funded through the federal Workforce Investment Act Program (WIA).

BETC Youth Employment and Training Services BETC's Youth Program services are designed to help prepare young people for the world of work. BETC's Youth Programming has traditionally centered on serving younger, inschool youth. This was done primarily though the federally funded WIA Summer Youth Employment and Training Program. BETC services to youth have recently been expanded to include out-of-school youth with the goal of helping prepare, place, and retain youth in employment

- 1. 2005 Summer Youth Program: Each year BETC administers the long running, federally funded, Summer Youth Employment and Training Program and, more recently, the NYS funded Summer TANF Program. Both of these programs provide summer jobs to low-income Buffalo youth. With these two programs, BETC provides young people with meaningful work experiences while also providing valuable services to Buffalo community organizations and governmental agencies. Last summer 1,155 Buffalo youth were provided with summer jobs through this program.
- 2. YouthBuild Buffalo BETC has recently expanded its training and education services to out-of-school youth. The new YouthBuild Buffalo program was approved for funding by the Housing and Urban Development (HUD) in March 2005, one of only 28 new applications funded out of several hundred submitted. This initial grant is serving 24 high school drop-outs ages 18-24. YouthBuild Buffalo provides GED instruction, classroom training in basic construction skills and actual on site training in residential home construction in conjunction with the St. John Baptist Church Fruit Belt homes project.

GOALS

Work to help achieve Mayor Brown's goal of **1000 Jobs for Youth** this summer. Provide technical support and infrastructure for: worksite development, job matching, payroll processing, worksite monitoring. Help implement a **Private Sector** Summer Jobs Campaign as part of this initiative. Provide funding for a Coordinator Position to head this initiative for the City.

- Work to insure that City residents are placed into jobs created as a result of City Economic Development efforts:
 Buffalo-Medical Corridor, Seneca Buffalo Creek Casino, Bass Pro. Host Job Fairs at BETC to provide City residents with information on and access to these jobs.
- Enhance the relationship with the **Buffalo Empire Zone**. Work together to insure that City residents are placed into jobs created in the Empire Zone. Host Job Fairs at BETC to accomplish this.

- Increase the number of **employers using BETC** as their source of job applicants. Last year, BETC had 99 employer uses. In 2006, the goal is to increase employer uses by 15% over last year.
- Increase the number of BETC job seekers obtaining employment within 90 days of using BETC. Based on NYS Dept. of Labor records, a total of 1,434 BETC job seekers obtained employment between July 1, 2004 and June 30, 2005. In 2006, the goal is to increase job placements by 15% over last year.
 - Assist in providing professional skills **training to City Employees**. As in 2005, BETC is helping to secure instructors and provide the Computer Labs and classroom space for training of City employees in Computer Skills and Leadership Skills.
